The 1st Cru of Cognac is known for its aromatic power, long aftertaste, and exceptional aging potential. This family-run estate passionately blends traditional methods with modern techniques to maximize the potential of its vineyards. Their style mirrors the classic commercial houses of Cognac but with unparalleled quality—a true champion of the XOs.

Amarás (previously Amores) is a bond with the sun, the land, and the people who produce their Mezcal range. It collaborates with 13 Maestros Mezcaleros, from both Oaxaca and Guerrero. Espadín and Cupreata are harvested with respect to nature, preserving 500 years of Mezcal culture in Mexico. Amarás Mezcal, made by a family-owned company is much appreciated in Mexico, unlike many commercial brands only designed to flood export markets their Mezcals are smooth yet bold, keeping a balance between agave flavours, earthiness and smoke.
